All religions, arts and sciences are branches of the same tree. All these aspirations are directed toward ennobling man's life, lifting it from the sphere of mere physical existence and leading the individual towards freedom.

ABOUT THE DIRECTORY

Grants are supposed to enable work, not create more of it. You need a guide, a map, and the right tools for the job. Helping you from your earliest brainstorming sessions to fully funded projects, this essential directory offers countless tips and resources for artists and arts organizations seeking funding for performances, exhibits, residencies, general operations, fellowships, and numerous other program types. This invaluable directory highlights over 3,650 current programs from 2,106 sponsors, including U.S. and foreign foundations, corporations, state arts councils and government agencies, and other organizations. Each record includes:

- Grant title
- Description
- Requirements
- Amount
- Application deadline
- Contact information (phone, fax, and email)
- Internet address (when available)
- Sponsor name and address
- Samples of awarded grants (when available)
- Three indexes — subject, program type, and geographic — help you to identify the right program quickly.
